

W03-P1: show menu with 5 buttons and 3 meals

The screenshot shows a code editor (VS Code) and a web browser side-by-side.

Code Editor (App_39.js):

```

File Edit Selection View Go ...
index.css M App_39.js M
src ...
You 21 seconds ago | 2 authors (You and others)
const App_39 = () => [
  return (
    <section className="menu">
      /* title */
      <div className="title">
        <h2>Our Menu</h2>
        <div className="underline"></div>
      </div>
      /* filter buttons */
      <div className="filter-container">
        <button type="button" className="filter-...>
        <button type="button" className="filter-...>
        <button type="button" className="filter-...>
        <button type="button" className="filter-...>
        <button type="button" className="filter-...>
      </div>
      /* menu items */
      <div className="section-center">
        <article class="menu-item">...</article>
        <article class="menu-item">...</article>
        <article class="menu-item">...</article>
      </div>
    </section>
  );
}

export default App_39;

```

Browser (localhost:3000):

The browser displays a menu page titled "Our Menu". It features five filter buttons: All, Breakfast, Lunch, Shakes, and Dinner. Below the buttons is a stack of pancakes with fruit and syrup, labeled "Buttermilk Pancakes" with a price of \$15.99. A small note below the dish reads: "I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed". To the right, there's a small circular icon with Chinese characters and some text.

W03-P2: show all meals using data.js (array)

The screenshot shows a code editor (VS Code) and a web browser side-by-side.

Code Editor (Menu_39.js):

```

File Edit Selection View Go ...
App_39.js M Menu_39.js M
src ...
You, 2 minutes ago | 2 authors (You and others)
import React from "react";

const Menu_39 = ({ items }) => {
  console.log("items", items);
  return (
    <div className="section-center">
      {items.map((item) => {
        const { id, title, img, price, desc } = item;
        return (
          <article key={id}>
            <div className="menu-item">
              <img src={img} alt="buttermilk pancakes" className="photo" />
              <div className="item-info">
                <header>
                  <h4>{title}</h4>
                  <h4>${price}</h4>
                </header>
                <p>{desc}</p>
              </div>
            </article>
        );
      )}
    </div>
  );
}

export default Menu_39;

```

Browser (localhost:3000):

The browser displays a menu page titled "Our Menu". It features five filter buttons: All, Breakfast, Lunch, Shakes, and Dinner. Below the buttons is a grid of meal items, each with a thumbnail image, name, price, and a short description. The items include:

- Buttermilk Pancakes** \$15.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.
- Diner Double** \$13.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.
- Country Delight** \$20.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.
- Oreo Dream** \$18.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.
- Egg Attack** \$22.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.
- Bacon Overflow** \$8.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.
- American Classic** \$12.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.
- Quarantine Buddy** \$16.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.
- Bison Steak** \$22.99: I'm baby woke mlkshk wolf bitters live-edge blue bottle, hammock freegan copper mug whatever cold-pressed.

W03-P3: show all categories using array

```

const Category_39 = ({ categories }) => {
  console.log("categories", categories);
  return (
    <div className="btn-container">
      {categories.map((category) => {
        const { all, breakfast, lunch, shakes, dinner } = category;
        return (
          <button type="button"
            className="filter-btn"
            data-id="all">
            {category}
          </button>
        );
      })}
    </div>
  );
};

export default Category_39;

```

W03-P4: show all Github collaborator (teacher & TA)

User	Status	Action
Hsingtai Chung	Awaiting htcung's response	Pending Invite <input type="checkbox"/>
jerry7657	Awaiting jerry7657's response	Pending Invite <input type="checkbox"/>

W03-logs: show all four logs done today

由於出現認證狀況 導致 push 不上去學校的 github

The screenshot shows the VS Code interface with the following details:

- File Explorer:** Shows a project structure with folders like 1111-WP1-BOOKLIST-210410139, w01_booklist, w02_booklist, and w03_menu, along with various files and icons.
- Terminal:** Displays a series of git commands and their outputs. Some lines are highlighted with red boxes around specific commit hash IDs (e.g., 99de4f4, b995fec, 72d6bef, 22d6336, 3dde1c3, 4410013) and error messages related to GitHub access.
- Status Bar:** Shows the current file is README.md, and there are 51 changes in the main branch.
